MEMORANDUM FOR THE RECORD

SUBJECT: DoD Physical Security R&D

REFERENCE: 5 July 1978 letter to Turner from Perry

11 August 1978 Memo for the Record
Subject: Interdepartmental Briefing
DoD Physical Security
Equipment R&D Programs

1. The primary responsibility for tracking and supporting the DoD physical security R&D program will be the R&D Subcommittee of SECOM. [] believes that the R&D Subcommittee should serve as an information source regarding this program for the non-DoD members, to inform the DoD as to IC needs, and to limit duplication of efforts.

25X1

2. The undersigned will follow these activities for the Community Security Group.
